

2009 GRADUATION

Wednesday 20th May 7:30pm in Lisburn Baptist

Speaker : Pastor Clive Johnston

CONTINUE TO PRAY for September 2009 intake. It is encouraging to already have a number of applications. Pray for us as we conduct interviews on 17th April. Last year you prayed with us for 12 new applicants and the Lord answered and surpassed the 12. Pray with us again for a minimum intake of 12.

COLLEGE PHOTOGRAPH

The annual college photograph shows our teaching staff and most of our full-time students. Quite a number of part-time students did not have lectures that day. Please use the photo to pray for our students, especially those graduating in May.

PRAYER BREAKFAST

Friday 13th March saw a second group of students and guests gather to hear an update on the college. After breakfast a postgraduate student, Pastor Mark Patterson, shared his experience of returning to part-time study, while continuing his pastoral work. He talked about the challenges and benefits of this type of study.

Dr Ken Scott, post-graduate tutor, outlined the types of courses available for students in full-time ministry. He emphasised their usefulness and also the flexible study options available.
