Thank to all who were able to be at the graduation service. The Lisburn Church was full and many stayed for refreshments afterwards. We didn't announce the offering on the night; it came to £2410.97 - thank you.

### Thank you for praying.

- We now have new 7 students accepted for the vocational course in September. Other applications are in the pipeline. In addition 3 current students are transferring to the course.
- Queens University examinations have finished and students are awaiting their results.
- We have recently appointed a part-time administrative assistant for term time.
- The programme specification for the Doctor of Ministry course has been approved.

### Please continue to pray

- For applications and interviews.
- Pray for the full time students who graduated. Some already know what they will be doing, others have decisions to make and some are still seeking guidance.
- Pray for the part-time students who graduated, as they apply what they have learnt in their own church, family and community involvement.
- Help for staff preparing new courses and revising existing courses for the Autumn.
