GRADUATION

Wednesday 20th May saw a crowded Lisburn Baptist Church giving thanks to God for another exciting year in the 127 year history of IBC.

Chaired by Mr Tom Moore (ABCI President), the praise was led admirably by the 'Slemish' music group and the

speaker Pastor Clive Johnston (Baptist Missions) reminded the graduates of their motivation for Christian Service. The congregation saw, through an audio-visual presentation, something of the WorldWide impact of College graduates. In addition some current part-time lecturers and evening class students spoke of the benefits they have enjoyed while studying at IBC.
